ADA White-

I have two cases with this week: the [REDACTED] trial scheduled for March 10<sup>th</sup> and the [REDACTED] trial scheduled for March 11<sup>th</sup>. I know that the summonses indicate that I should be there at 8:30, but I know though experience that I won't be needed at least until 9:30 -10:00am, and that there is a chance that the trials won't go at all. Therefore, I am hoping it is okay if I am on call as I already am on call for a case in Springfield on the 10<sup>th</sup> and on call for a trial in Holyoke on the 11<sup>th</sup>. Please get back to me via email or by calling the lab (413-545-2607) if there is a problem with. Thank you.
